

Ambassador meets members of Angola-India Chamber of Commerce & Industry (22 May 2018)

An event was organised at Porteja Building, Luanda on 22 May 2018 to introduce members of the Angola-India Chamber of Commerce & Industry to newly arrived Ambassador of India HE. Mr. Srikumar Menon. In his remarks to the assembled members, Ambassador spoke of the potential of bilateral trade & investment opportunities and the significant role that the Chamber can play in creating and expanding a favourable climate for further improvement of business relations between India and Angola. The Chamber, he said, should be an active platform for initiating opportunities and for networking among companies from both sides. He called on the Chamber members to strive to achieve successful collaboration between Indian and Angolan companies, while leveraging the synergy flowing from the common business cultures.
