Kindly find enclosed application dated 19.03.2015 addressed to the honorable external affairs minister, signed by applicant Mr. K K Ajmera. The application handed over in person to Mr Rajender sikka who was sitting on the left side room on official chair of external Minister's Bhopal office at her residence, presuming Mr. Sikka an employee/worker in the personal staff of honorable minister posted at her Bhopal residence. At that time he was involved in sending of some invitations. On my request in acknowledgement having received the application, Mr Rajender Sikka signed on my copy as Rajinder Sikka, (copy enclosed) although after signing the acknowledgement he became very furious, indecent and arrogant, because I requested/ insisted for giving the receipt. I moved out calmly. Kindly Provide me information that,

19th March 2015

Honorable,
Cabinet Minister
External affairs,
Govt. of India.
New Delhi

Honorable Madam,

Re: Neeraj Ajmera student New zeland- Massey University Aukland.
Request for forwarding application/petition of Neeraj to Pastoral care Newzeland
by HC NZ.

We refer our various applications starting from August 2014 and last application submitted to your honor on 1st March 2015 camp Bhopal. Copy of which is enclosed for your ready reference. Your honor was kind enough and has assured in person on 1st March, to take up the matter immediately directly with the High commissioner of Indian high commission Newzeland. I do not appear to have received any result so far.

I repeat in short that the case is,

1. My son registered as fulltime fully paid student in post graduate diploma in Finance with Massey University.
2. He complained to the faculty and concerned authority of university during the course and afterwards, about not providing of the declared facility and subject knowledge. Lastly he filed his written petition to the director of education Massey University on 14 August 2014, asking for justice and compensation.
3. Despite verbal assurance by the director of education during personal hearing to reply within 4 weeks, However University replied after 4 months on 16 December 2014, that to after following up by Mr. Neeraj the complainant.
4. Mr. Neeraj showed his disagreement without lapse of any time and finally replied point to point to the University on 4th January, saying that the reply of university is beyond facts and not supported with the required evidences.
5. The Director Education of University forwarded the petition to Dean Prof. Ted Zon on 12 January 2015. No reply received so far from the Dean/ University.
6. We approached to your honor and the High commission to put the case of not justifying the heavy fee paid to University, to get education of international standard and requesting to forward the petition/application of Mr. Neeraj to the Pastoral care NZ an agency setup by the govt. of NZ for international student. The petition is already submitted to HC NZ office in second week of January 15 this year.
7. We are not getting any progress on the issue from the ministry and the high commissioner's office.

Therefore, request once again to kindly instruct the high commissioner of India NZ to forward the petition of Mr. Neeraj to pastoral care NZ, also request your honor to instruct the HC for extending its all-out support to Mr. Neeraj. It will may create an model example of its type.

The matter is considerably delayed therefore once again an early action is requested.

With sincere regards

K K Ajmera and Somshree Ajmera.
