**Information Sought :**

Dear Madam Sir  
 I Want to know that is Our country doing anything to get back Pakistan Occupied Kashmir and China occupied Kashmir If Yes then what steps have had been taken till the date If no then what is the reason why we are not taking any step and if we dont want to take any step why our country still shows POK and COK the part of India in our Maps

Please tell me in detail.

Thanks  
 Krishan Kumar

Subject: Information sought under Right to Information Act, 2005

Sir,

Please refer to your RTI application dated 29/3/2015 addressed to CPIO, MHA through Online and was transferred to RTI Cell, Ministry of External Affairs on 23/04/2015.

2. The response to your query with respect to China is as follows:

*China disputes the international boundary between India and China. Indian territory under the occupation of China in Jammu & Kashmir is approximately 38,000 sq. kms. In addition, under the so-called China-Pakistan "Boundary Agreement" signed between China and Pakistan on 2 March 1963, Pakistan illegally ceded 5,180 sq. kms. of Indian territory in Pakistan Occupied Kashmir to China. The fact that Jammu & Kashmir is an integral and inalienable part of India has been clearly conveyed to the Chinese side on several occasions, including at the highest level.*

*The two sides have agreed to each appoint a Special Representative (SR) to explore the framework for a boundary settlement from the political perspective of the overall bilateral relationship. The 18<sup>th</sup> round of Special Representatives Talks on the India-China boundary question was held in New Delhi from March 22-24, 2015. The Special Representatives of the two countries, Shri Ajit Doval, National Security Advisor and Mr Yang Jiechi, State Councilor held useful and positive discussions on the framework for the settlement of the India-China boundary question on the basis of the Agreement on the Political Parameters and Guiding Principles for the Settlement of the India-China Boundary Question signed on April 11, 2005. The two delegations reviewed the situation prevailing in the India-China border areas and focused on the need to adhere to the various agreements for maintenance of peace and tranquility, which is a pre-requisite for continued growth of bilateral relations.*

*The two Special Representatives affirmed the consensus to seek a fair, reasonable and mutually acceptable solution to the boundary question through consultations on an equal footing, proceeding from the political perspective of overall bilateral relations.*

3. If you are aggrieved with this reply, you may file an appeal to Shri Sujit Ghosh, Director (East Asia) & Appellate Authority, Ministry of External Affairs, South Block, New Delhi 110011, within a month from the date of receipt of this letter.

Yours faithfully,

  
(Aniket G Mandavgane), IFS
