India-Eritrea – Bilateral Relations

Indian traders were familiar with the Eritrean port of Massawa since the 17th century. During World War II, Indian soldiers played a crucial role in the battles of Keren and Asmara. There were many casualties among Indian soldiers at the battle of Keren and Asmara. The Keren Cremation Memorial commemorates 285 Indian soldiers whose remains were cremated in accordance with their faith. The Keren War Cemetery commemorates 73 Indian soldiers buried there and the Asmara War Cemetery commemorates 16 Indian soldiers.

2. India formally recognized Eritrea soon after its de jure independence on 24 May 1993 from Ethiopia. Over the years, India has offered capacity building assistance in several fields to Eritrea including legislative drafting, technical scholarships (agriculture, education, health, handicrafts etc.), and also food aid. In 2009 Indian Government extended a Line of Credit of US\$ 20 million to the Eritrean Government. India is a destination for Eritreans going abroad for higher studies and medical treatment.

3. An MoU on starting Foreign Office Consultations between India and Eritrea was signed in April 2018 in New Delhi. Subsequently, the first session of FOC was held in Asmara on 29 October 2018 at the level of Joint Secretary (WANA) and Director General, Asia-Pacific Department in the Eritrean Foreign Ministry

4. Eritrea has been included in the list of countries to whom unilateral Duty Free Tariff Preferential (DFTP) market access and e-Visa facility has been extended.

5. Government of India has appointed Shri Subhash Chand, Deputy High Commissioner, High Commission of India, Abuja as the 1st Resident Ambassador of India to Eritrea on May 10, 2019. Subsequently, he took charge on August 26, 2019. He presented his credentials to President of Eritrea Mr Isaias Afwerki on 4th December 2019.

6. On 31st October 2019, Eritrea signed the Framework Agreement of the International Solar Alliance at its second Assembly in New Delhi and became a member of International Solar Alliance countries. In February 2020, Eritrea has availed 3 ITEC training slots for ISA-member countries on solar energy at NISE, Gurgaon.

7. On November 7, 2019, Eritrea signed a MoU in New Delhi and becoming a partner country of eVidyaBharati eArogyaBharati (eVBAB) Network Project of India. Subsequently, Eritrea has identified National Coordinator and Single Point Coordinator for the Project.

8. To mark the 71st Republic Day, a Flag Hoisting ceremony was held at the Embassy premises in Asmara on January 26, 2020. This was the first such event after establishment of the first Resident Embassy in Eritrea. On 27th January, 2020, a National Day Reception was organised at Asmara Palace Hotel. The event was attended by many Eritrean dignitaries, members of the diplomatic corps and Indian community members. The Embassy also celebrated the 6th edition of international

Day of Yoga was celebrated on June 21, 2020. On 13th November 2020, Ayurveda Day was celebrated in the Embassy. Experts from Eritrean Ministry of Health and Telemedicine Centre, Indian community members and persons interested in telemedicine participated in the event.

Bilateral Exchanges:

The delegation met with External Affairs Minister of India Dr. S. Jaishankar and National Security Adviser, Shri Ajit Doval in separate meetings. The delegation held extensive discussions on multifaceted bilateral cooperation and regional, global matters of mutual concern. The Eritrean delegation visited AIIMS and Indian Agricultural

Research Institute to explore cooperation in healthcare and agriculture, in areas of capacity building and research. The delegation also met with Indian business leaders under the auspices of FICCI. Discussions centered on investment opportunities for Indian companies in Eritrea with particular focus on energy, water resources, agriculture and manufacturing. The delegation also met pharma companies (Pharmexcil) and deliberated on pharma cooperation between India and Eritrea. The Eritrean delegation toured the power generation plant and training centre of NTPC, Dadri.

India in UN Peacekeeping in Eritrea

13. More than 1500 Indian troops served in the UN Mission for Ethiopia and Eritrea (UNMEE), deployed in both countries until February 2007. Thereafter, in accordance with UN Security Council Resolution No.1741, strength of UNMEE was brought down to 1700. The Indian contingent was also downsized from 850 to 600 personnel. Maj Gen Rajender Singh led the UNMEE as its Force Commander from 2004-2006. Over the life of the mission, the Indian medical battalion with UNMEE attended to some 17,000 medical cases. The Indian contingent also assisted in drilling of wells and construction of roads and dams. Most of the remaining peacekeepers were withdrawn in February 2009 and later that year the UN Security Council voted unanimously to end its peacekeeping Mission to Ethiopia and Eritrea.

Cooperation in Capacity Building

14. Assistance in form of scholarships through the Indian Technical and Economic Cooperation (ITEC) programme has evolved over the years. India has offered capacity building assistance in several fields to Eritrea including in agriculture, health and education, handicrafts etc. At the request of the Eritrean Government, India provided a legal expert, under the ITEC scheme, to Eritrea for two years.

15. There were 40 slots of ITEC courses for Eritrea for 2019-20. ICCR has allotted 8 slots to Eritrea for the academic year 2021-22. IAFS also allotted 2 slots for Eritrea for the year 2019-20. A total 25 slots were utilized for a special customized training programme of eight weeks on promotion of Basket and Mat Weaving Artisan Enterprises, on request from the Eritrean Government, at the National Institute of Micro, Small and Medium Enterprises, Hyderabad from 14/05/2018 to 06/07/2018.

16. In 2003 India donated 50 metric tonnes of wheat to Eritrea. Earlier, India had provided 150 metric tonnes of wheat and 20 metric tonnes of sugar to Eritrea as relief assistance. In November 2020 India donated food aid of 50 MT to Eritrea consisting of 30 MT of white wheat flour, 10 MT of rice and 10 MT of sugar.

17. Government of India's Pan-African e-network project for Eritrea was inaugurated in August 2010. All three nodes (VVIP, medical and education) were functional. Two screenings of special lectures under the Pan African E-Network project have been done at the Orotta National Referral Hospital in Asmara in May and July 2012.

18. An Eritrean delegation visited several Indian educational institutes in 2010 including Indira Gandhi National Open University (IGNOU), Jawaharlal Nehru

University, Indian Institute of Technology Delhi, Delhi University and Hamdard University. An agreement was concluded for cooperation with IGNOU.
